Certificate of Compliance

Pb-Free/ Reduction of Hazardous Substance (RoHS)

This document certifies that Cleverscope products listed in the table are fully RoHS compliant as of 20 Feb 2008, in accordance with EU RoHS Directive 2002/95/EC. We hereby declare that RoHS restricted substances are not intentionally added to the listed products and unintentional amounts of the restricted substances are within those limitations of the RoHS directive, 0.1% of Lead, Mercury, Hexavalent Chromium, PolyBromoBiphenyls (PBB), PolyBromoDiphenylEthers (PBDE), and 0.01% of Cadmium.

All our products are manufactured using RoHS compliant methods and parts.

Product Family	Product Part Number
Cleverscope Oscilloscopes	CS328A, CS320A
Cleverscope Modules	CS700A, CS710, CS712, CS714, CS740, CS741
Cleverscope Power Module	AC Adapter FRA018-S09-4
Cables	USB cable, IEC power cable

EU REACH Statement

This statement concerns European Union regulation 1907/2006 of 18 December 2006 -- Registration, Evaluation, Authorization and Restriction of Chemicals, also known as REACH. Under REACH regulations we are considered a provider of "articles."

All of our products are assemblies/components, not raw materials. None of our products intentionally releases substances to the environment. None of our materials of construction are substances of very high concern (SVHC). The sum of each unique construction material in our articles imported into the E.U. is less than one ton per year. Given those conditions our current products are exempt from REACH pre-registration and later registration activities.
